Fen Road Discos

Booking agreement

Booking agreement

This agreement is between Fen Road Discos ("we", "us") and Chloe Adams and Ryan Patel ("you") for your wedding on Saturday 12 June 2027.

The booking

- Date: Saturday 12 June 2027
- Times: 1pm to midnight
- Venue: Riverside Barn, TW18 1SE
- What's included: everything listed in the quote with this agreement.
- Price: £1,565

Paying

- A deposit of £391.25 secures your date. Until it's paid we may offer the date to someone else.
- The rest is due by Saturday 15 May 2027, as set out in the payment schedule with this agreement. You can pay early, or pay more at a time, whenever you like.
- If a payment is more than 14 days late we'll remind you. If the balance still isn't paid by the day of the event, we may treat the booking as cancelled by you.

If you cancel

Please tell us in writing (an email is fine). Because we turn other work away for your date, we keep part of the price depending on how much notice you give:

- More than 6 months before the event: the deposit only.
- 3 to 6 months before: 25% of the total price, or the deposit if that's more.
- 1 to 3 months before: 50% of the total price.
- Less than a month before: the full price, less any costs we save by not performing (for example travel, or equipment or staff we'd have hired).

If we're able to rebook the date, we'll refund what we can, less any costs we've had.

Because this booking is for a specific date, the 14-day cancellation period that usually applies to contracts made online or away from business premises doesn't apply (Consumer Contracts Regulations 2013, regulation 28(1)(h)). The terms above apply instead.

If we cancel

If we can't perform because of illness or an emergency, we'll try to find a replacement of the same standard and agree it with you first. If we can't, or you'd rather not, we'll refund everything you've paid. We aren't responsible for other costs.

At the event

- The venue needs to give us safe access to unload, a suitable space to set up, and standard 13 amp sockets near where we set up.
- If the venue has a sound limiter or a curfew, the venue's rules apply and we'll work within them.

- If you'd like us to play on past the agreed finish, we will if we can, at £90 an hour.
- Our equipment is PAT tested and we hold public liability insurance. We'll send copies to you or your venue on request.

Music licensing

The venue is responsible for holding the licence needed to play recorded music in public (usually TheMusicLicence from PPL PRS). Private homes and private marquees normally don't need one.

Damage and safety

We may stop playing if the safety of people or of our equipment is at risk. You're responsible for damage to our equipment caused by your guests, apart from normal wear and tear.

Things outside anyone's control

Neither of us is responsible for failing to do what this agreement says because of events outside reasonable control, for example severe weather, the venue closing or government restrictions. If that happens we'll offer another date first. If that isn't possible, we'll refund what you've paid, less costs we've already had and can show you.

Your information

We use your details only to plan and deliver your event, and to keep the records the law requires.
